

# Adrenal Recovery Support Guide

## Wholesale Order Form

Add a patient education tool to your office that is fully referenced and used nationwide. This booklet can include a Doctor's Report of Findings and a PowerPoint that can be used in conjunction for patient lectures.

This booklet will introduce your patients to biological stress, give a history about adrenal adaptation, show basic testing procedures that you can do in your office, then show ways to manage stress effectively. This booklet also includes descriptions of the various adrenal supporting Standard Process & MediHerb products.

An easy to read 32 page booklet with illustrations on every page, great as a patient education tool for your office.
